*Upon receipt of your completed questionnaire, you will be placed in the waiting list for a greyhound. At times, for cat friendly dogs, the wait can be as long as nine months. Your name will be added to our mail list and you will receive copies of Bulletins and Newsletters to help keep you informed about the GAP news and events. When a greyhound is available that will meet your requirements, you will be contacted and a meeting will be arranged.*

Should you wish to discuss your application in more detail, please don't hesitate to contact the GAP Coordinator, Angela Webb, on (08) 8243 7124 or email [coordinator@gapsa.org.au](mailto:coordinator@gapsa.org.au). Your inquiry is sincerely appreciated, and will be processed as quickly as possible.
